### ORDER

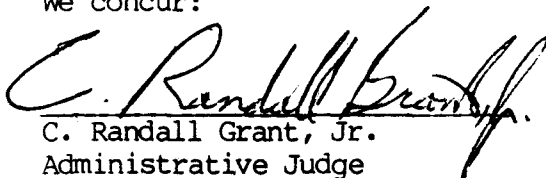

By a joint motion filed January 20, 1987, appellant Anaconda Minerals Company (Anaconda), the Bureau of Land Management (BLM), and the Bureau of Indian Affairs (BIA) have moved the Board for an order dismissing with prejudice Anaconda's appeal of a joint BLM-BIA Order of April 4, 1986. That Order required appellant to implement certain security measures at the Jackpile-Paguate uranium mine, located on the Laguna Indian Reservation, Laguna, New Mexico, and, apparently on public lands adjacent thereto.

By joint letter dated December 15, 1986, appellant and the Pueblo of Laguna (Pueblo) agreed to comply with certain security procedures set forth in their joint letter of August 12, 1986, as supplemented and revised by the joint BLM-BIA letter of November 6, 1986, as constituting the sum of the combined obligations of the Pueblo and Anaconda under the Order of April 4, 1986.

In accordance with the joint motion of the parties, the above-captioned appeal is dismissed with prejudice.
